FINANCIAL AGREEMENT

I agree to:

Pay in one time each week a tuition fee of \$180.00 with no deductions for absences or holidays. A late fee of \$25.00 will be added to your account if payment is not received in full by Wednesday. If your tuition is not paid per this agreement, your child's enrollment is discontinued.

Fees are based on a weekly schedule of 5 days. Fees are designed to hold your child's place at the academy and not based on attendance. Parents are responsible for all expenses not paid by an outside source. All fees not paid by a subsidy will be the parents' responsibility. This includes but not limited to expired contracts, copayments overage, and fees that subsidy does not cover. 4c's subsidy will not pay for days that children are out of the academy if it exceeds 5 days in a single month. Parents are responsible for keeping up with expiration dates on their child's subsidy contracts. CPA will not assume any responsibility for expired contracts that result in charges added to your account.

FEES

Pay an enrollment fee of \$100.00 per child, which is not refundable.

Pay a recurring registration fee of \$100 per child each April 1st, which is not refundable.

WITHDRAWAL

In the event you withdraw your child from the academy, a two weeks written notice is to be given to the Head of School prior to withdrawal. If proper notice is not given, you will be responsible for paying the tuition fee for the week(s) your child did not attend.

PAYMENT ISSUES

Pay all costs of the collection process, including agency fees and court costs if your account is forwarded to a collections agency for non-payment.

INSUFFICIENT FUNDS

Pay a check return fee of \$35.00 for each check returned with insufficient funds in addition to late fees and the amount of the check. This payment must be made in money order, and all future payments will then be subject to be paid in money order.

I have read the financial agreement, understand it and will comply with the policies. This is a contract, sign only if all terms are completely understood and agreed upon.

DISCIPLINE POLICY

Praise and positive reinforcement are effective methods of behavior management of children. When children receive positive, nonviolent, and understanding interactions from adults and others, they develop good self-concepts, problem solving abilities, and self-discipline. Based on this belief, Coleman Preparatory Academy uses a positive approach to discipline and practices the following discipline and behavior management techniques. Teaching social-emotional strategies is incorporated into our daily lessons.

WE DO

Communicate to children using positive statements on their level and in a calm quiet manner.

Explain unacceptable behavior to children.

Give attention and praise to children for positive behavior, and encourage continued positive behavior.

Reason with and set limits for the children.

Apply rules consistently.

Model appropriate behavior.

Set up the classroom environment to prevent problems.

Provide alternatives and redirect children to acceptable activity.

Give children opportunities to make choices and solve problems.

Help children talk out problems and think of solutions.

Listen to children and respect the children's needs, desires and feelings.

Provide appropriate words to help solve conflicts.

Use storybooks and discussion to work through common conflicts.

WE DO NOT

Inflict corporal punishment in any manner upon a child. (Corporal punishment is defined as the use of physical force to the body as a discipline measure. Physical force to the body includes, but is not limited to, spanking, hitting, shaking, biting, pinching, pushing, pulling, or slapping.)

Use any strategy that hurts, shames, embarrasses, or belittles a child.

Use any strategy that threatens, intimidates, or forces a child.

Use food as a form of reward or punishment.

Use or withhold physical activity as a punishment.

Shame or punish a child if a bathroom accident occurs.

Allow discipline of a child by other children.

Criticize, make fun of, or otherwise belittle a child's parents, families, or ethnic groups.

DISCIPLINE POLICY CONTINUED

Aggressive physical and verbal behavior (fighting, biting, hitting, and verbal attacks) by a child will not be tolerated. Faculty and staff members will intervene should this type of situation occur in order to maintain the safety of all children. Parents will be notified and an incident report will be completed and filed.

Conferences will be scheduled with parents if particular disciplinary problems occur. If a child's behavior consistently endangers the safety of the children around him/her, then the Director has the right, after meeting with the parents and documenting behavior problems and interventions, to terminate enrollment for that particular child.

Note: If, at any point, there is an indication/suspicion that a child may have special needs, Coleman Preparatory Academy will inform the child's family and work with our Exceptional Child Education Coordinator to evaluate and assist to determine next steps.

My signature below indicates that I have received a copy of the discipline policy, it has been reviewed with me, and I have read and understand this policy.

COVID-19 POLICIES

State of Emergency New Emergency Administrative Regulation 922.KR2:4000E Section 6:(6) If a child demonstrates a fever or other contagious symptom, the child shall be removed from the classroom setting immediately and placed in a safe, low traffic area until the parent or guardian arrives to pick-up the child. The Coleman Preparatory Academy (CPA) shall require the parent or guardian to pick up the child within one (1) hour of being contacted.

If a child is not picked-up within the hour, the police and Child Protective Services (CPS) will be contacted by the Head of School or designee.

I have read, asked questions, and understand the above policy pertaining to my family/child. I will assure a parent or guardian will arrive within an hour of Coleman Preparatory Academy calling to inform me that my child is ill. I understand that CPA will call the police and CPS if someone has not arrived to pick up the ill child.

Section 7. Personal, Protective Equipment (PPE) Requirements.

(1) All adults, including parents and guardians at drop-off and pick-up shall wear a face mask or face shield. (2) If an adult refuses to wear a face mask or face shield even after one has been provided by CPA they will be restricted from drop-offs and pick-ups. (3) for continuous occurrences, the adult may be subject to a \$150.00 fine for each event.

Of this section, Coleman Preparatory Academy may refuse individuals the right to enter the facility. CPA decides whether a parent or guardian can enter the facility if an adult refuses to adhere to our Covid-19 policies regarding the Center for Disease Control and Prevention guidelines.

I have read, asked questions, and understand the above policy pertaining to my family/child. I understand I will wear a mask or face shield upon pick-up and drop-off, or I can be refused service for my child.
